Powerful performance, Built to last

Get powerful performance coupled with exclusive Dolphin features

Less effort, more fun | Crystal-clear results | Peace of mind

always connected

Control your Dolphin robotic pool cleaner via MyDolphin™ Plus app! Choose modes, get notifications, set a timer, select a cycle. Make your pool perfect from anywhere at any time.

Powerful cleaning performance

Crystal clear water, with optimal filtration.
Active brushing and total cleaning all the way to the waterline.
Full cleaning coverage with precise advanced CleverClean™ scanning.

Ease of use

User friendly smartphone app for convenience and control.
Plug & play with easy set-up and operation.
Top load filter access for super easy cleaning.

Peace of mind

Dedicated customer support team in every state.
Global leader in robotic pool cleaners.
Energy efficient for real savings.

Climate Care Certified

Reduce energy consumption by up to 83% / \$350 per year.
Reduce water wastage 60–80% from less backwashes.
Use less chemicals from less backwashing.

M400

Powerhouse Popular Choice

Brace yourself for a superior cleaning experience with this powerhouse pool cleaner. The Always Connected M400 robot pool cleaner can be scheduled to clean the floor, walls and waterline, from the palm of your hand. Manually navigate it for optimal coverage, regardless of pool size, shape, slope or obstacles.

Floor, walls & waterline
